SUMMARY

This resume provides a brief overview of my accomplishments. For a more comprehensive showcase of my work, please visit my portfolio website - [here](#)

WORK EXPERIENCE

Senior Workforce Strategy Analyst - Disney JUNE 2024 - CURRENT

- Led a cross-functional team to onboard a new scheduling system, overseeing system learning, testing, and training.
- Led collaborative meetings with operational and senior leaders to address cast member needs, identify challenges, and discuss solutions.
- Designed and implemented an early release process for the new scheduling system, resulting in labor cost savings of millions annually.
- Developed automated reports for key performance indicators, such as attrition, headcount, and benefit time audits, enhancing decision-making.
- Planned, developed, and maintained end-to-end data pipelines to enable day-one operational reporting for the new scheduling system.
- Automated manual processes to streamline workflows and improve operational efficiency.

Technologies: Python, R, Tableau, PowerBI, Excel, SQL, SmartSheet

Workforce Strategy Analyst - Disney DEC 2023 - JUNE 2024

- Developed, sustained, and optimized data pipelines for operational and reporting purposes.
- Automated processes to streamline workflows and boost efficiency.
- Implemented automated KPI reporting to enhance data visibility.
- Enhanced a machine learning model to predict weekly call volumes.
- Presented insights and recommendations to senior leaders and directors in bi-weekly meetings.

Technologies: Python, R, Tableau, PowerBI, Excel, SQL

Labor Systems Data Analytics & Integration Intern - Disney SUMMER & FALL 2023

- Developed day one reporting for a new scheduling system deployment.
- Engaged with clients daily to gather and clarify report requirements.
- Managed multiple reporting projects simultaneously and effectively.

Technologies: Business Objects, SAP, Tableau, SQL, SSMS JIRA

Business Intelligence Engineer Internship - Buckle SPRING 2023

Data Analytic Engineer Internship - Kiewit SUMMER 2022
